Research Experience

- 2018 Research Placement Fellow, ESRC National Centre for Research Methods and the UK Web Archive
The British Library, London, July-October 2018.
Project: Developed a case study of research charting the challenges of engaging the UKWA for social science research.

- 2018-19 Co-Investigator, 'Save Page Now' Project
The Internet Archive, San Francisco, CA, USA
Collaborators: Ed Summers (University of Maryland Institute for Technology in the Humanities) and Shawn Walker (Arizona State University)
Project: Examined the infrastructure and impact of open tools for public web archiving via the Internet Archive's Save Page Now tool.
- 2015-17 Co-Investigator, Race and Nation Project
Web Science Institute, University of Southampton
Collaborators: Bindi Shah and Justin Murphy (University of Southampton)
Project: The project investigated the online construction of nationhood as exhibited through Twitter debates in 2m tweets around Romanian and Bulgarian UK migration.
- 2016-17 Researcher, The Archives Unleashed Workshops
The British Library, London, 12-13 June 2017.
Project: Intersection Analysis - Co-designed collaborative project to assess curatorial coverage of Occupy Wall Street web archives.
- The Internet Archive, San Francisco, CA, USA, 23-24 February 2017.
Project: End of Term Transitions - Co-designed collaborative project that examined rate of change in web archives at times of US Presidential administration transitions.
- The Library of Congress, Washington D.C., USA, 14-16 June 2016.
Project: I Know What You Hid Last Summer - Co-designed collaborative project that examined 'publicness' online, accountability and ethics of researching deleted web content.
